1st strand can be parents or parents and children birthdays can include anniversary.

2nd strand can be children or grandchildren

3rd strand can be grandchildren or great grandchildren.

You can have a mothers necklace made with 1,2,or 3 strands depending on the size of your Family . Write in the month in the order of birth on each strand that applies to your family and your design. A cross or pendant can be used if desired on one of the strands.

Please lay out birthdates left to right on each strand as facing paper.
